

CERTIFICATE

The company

Vita Baltic International
Jurgiskiai
62181 Alytus, LITHUANIA

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report **20-28463-1**

for the following articles:

Multilayer materials used for clothing or orthopedic purposes: Polyurethane polyether foam in different colors (with or without flame retardant finish accepted by the OEKO-TEX® Association) and polyurethane polyester foam in white, both laminated with knitted fabrics made of cotton and/or polyamide and/or polyester in different colors. (Partly based on materials pre-certified according to STANDARD 100 by OEKO-TEX®)

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate SE 09-182 is valid until 12.03.2021
